Character

You are an energetic person, never satisfied unless you are up and doing. You are strong in mind and strong in body and full of enthusiasm for the work in hand. You have unlimited courage, and all these qualities combined tend to make your life varied. You are not going to stay at one thing just because you have set out in that direction. You will change your job, your friends, your hobbies or anything whatsoever provided you think the change is for better. Unfortunately for you, you will not always count up the pros and cons of the change as carefully as you should and this impulsiveness may often lead you into difficulties. Still you have a courage, you are a born fighter and are endowed with plenty of enterprise. All of which will enable you to succeed in the end. It is unlikely that you will amass great wealth but money is only useful for the happiness it can bring and of happiness you will have your full share and more. There are many reasons for thinking that you will move from place to place a good deal and probably you will see much of the world. If a man, you are likely to take up posts in various parts of the country, and, if a woman, it would not be surprising if you called upon to travel because of the requirements of your partner's business or profession. We would suggest that you should endeavor to cultivate the quality of patience, and that you reason out the cost more thoroughly before embarking upon some fresh enterprise. There are little points but they help to mar your success. Moreover, avoid being a rolling stone (avoid changes) especially after the age of 35.

Happiness And Fulfillment

There is a harmony between your thinking and feelings, enabling you to have a firm grasp on reality. You are very practical, able to understand yourself, and say tactfully exactly what's on your mind. You are able to see what in your inherent nature prevents you from achieving inner satisfaction and you are able to verbalise this. However, you will tend to worry about the most inconsequential matters, tend to gossip and be as critical of yourself as you are of others.

Life Style

Your friends serve as motivational factors in your life. You need their support and encouragement. You can thus achieve your goals by directing yourself in areas where your friends see your progress.

|| Manglik Details / Mangal Dosha ||

Generally Manglik Dosha is considered from the position of Lagna and Moon in the birth chart.

In the birth chart, Mangal is placed in Fifth house from Lagna, while in the Moon chart Mangal is placed in Seventh house.

Hence Mangal Dosha is not present in Lagna Chart while present in Moon Chart.

Mangal Dosha is considered to create hurdles in the married life of a person. According to some, Mangal Dosha results in frequent illness or ultimately death of partner(s).

It is considered that if a manglik person marries to another manglik person then the manglik dosha gets cancelled and has no effect.

Some Remedies (in case Mangal Dosha is present)

Remedies (needs to be performed before marriage)

Kumbha Vivah, Vishnu Vivah and Ashwatha Vivah are the most popular remedies for Mangal Dosha. Ashwatha vivaha means the marriage with peepal or banana tree and cutting the tree after that. Kumbha Vivah, also called Ghata Vivaha, means marriage with a pot and breaking it after that.

Remedies (can be performed after marriage)

1. Keep Kesariya Ganapati (Orange coloured idol of Lord Ganesha) in worship room and worship daily.
2. Worship Lord Hanuman by reciting Hanuman Chalisa daily.
3. Mahamrityunjaya paath (recitation of Mahamrityunjaya mantra).

Remedies (based on Lal Kitab, can be performed after marriage)

1. Feed birds with something sweet.
2. Keep ivory (Haathi Daant) at home.
3. Worship banyan tree with milk mixed with something sweet.

Note: We strongly recommend you to consult an astrologer before performing these remedies by your own.

You will require paying good attention to family and personal front, otherwise those can also lead to a bigger problem. For students, education may be slightly affected and they will have to work harder to hold on to their existing level. Results will be slow and almost always with the delay. This is a period which indicates danger and apart from other things, you need to be careful while driving. If possible, stay away from non-veg and your drinking habits to keep Saturn happy. You will be able to sail through this period by intelligently handling your domestic and financial matters.

This house is strongly influenced by Jupiter and Saturn. Every planet placed in this house will destroy its inimical planets and the things associated with them. In this way the Moon here will destroy its enemy Ketu's things, i.e., the sons of the native. || Shadbala and Bhavabala – Strength Calculations ||

Shadbala is a method in Vedic astrology that gives quick insight in the strength of planets and the houses. Sanskrit means 'Six' and hence Shadbala consists of 6 different sources of strength. Shadbala calculation is a laborious process but thanks to computers one can get these strength calculations by just one mouse click. Shadbala method gives a value to each planet and each house. The more points a planet and a house gets in Shadbala the stronger it is.
